Importance: High

Mr. Bravo,

Thanks for speaking with me this afternoon. I have attached the template above. If you would like to just reply to the email with your written statement that is ok also.

Mr. Bravo these are the comments that the students stated that you said throughout the year

- "Mexicans and colors ruined Oak Cliff"
- "colors and mexicans fill up jail cells"
- "Colors and mexicans are poor. You'll be poor just like your parents"
- "You won't ever go to college or be successful"

Thank You
Bryan Hill
